

## HSRP GALVESTON PUBLIC MEETING

The Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee to the National Oceanic and Atmospheric Administration (NOAA) and will convene a public meeting on March 15–17, 2016, focused on the Texas coastal area and ports. The panel will meet to present and discuss NOAA's hydrographic services and matters that affect marine transportation, safe navigation, commercial shipping, ocean and coastal stewardship, coastal and marine spatial planning, recreational boating and ocean policy for the Texas gulf and coastal regions.

The public and stakeholders are encouraged to attend, listen and express view points to the Panel members and NOAA during public comment periods. For those unable to attend in person, there is advance sign-up to join a webinar and sign up form will be provided on the website below. Comments can be submitted: in advance to [Hydroservice.panel@noaa.gov](mailto:Hydroservice.panel@noaa.gov), in person during the public comment period or online during the webinar. For access to the agenda, to sign up for the webinar or send comments and for further information on the HSRP, please visit:
