(3:00pm - 11:30pm EST; 1:00pm - 8:30pm PST)
September, 21, 2022, 8:30-12:00pm Hawaiian Standard Time,
(2:30pm – 6:00pm EST; 12:30pm – 4:00 PST)
September, 22, 2022, 8:30-5:00pm Hawaiian Standard Time
(2:30pm - 11:00pm EST; 12:30pm - 8:00pm PST)

The meeting will focus on issues related to navigation, observations and positioning services including topics affecting the NOS' Office of Coast Survey, Center for Operational Oceanographic Products and Services, National Geodetic Survey, and the University of New Hampshire's and NOAA's Joint Hydrographic Center (JHC) and Center for Coastal Ocean Mapping. The HSRP advises the NOAA Administrator on matters that affect marine transportation, safe navigation, commercial shipping, ocean and coastal stewardship including sea level rise, resilience, flooding and inundation, coastal and marine spatial planning, geospatial and geodetic data, recreational boating, Arctic priorities, the National Spatial Reference System, the PORTS[®] system, tides and currents, mapping and surveying, and related topics. The meeting will have an update on NOAA's special sessions: 1) "*Partnerships for the Pacific - Local, State and Federal Perspectives*"; 2) "*Partnerships and Priorities: Mapping Collaborations in the Pacific Region*"; 3) "*Stakeholder Perspectives on Opportunities and Vulnerabilities: NOAA PMN Data, and the Supply Chain in Hawaii*"; and 4) "*The Role of the Pacific 'Ohana in Keeping Your Feet Dry on the Shoreline: NOS and NOAA's Flooding, Inundation, Sea Level Data, Products and Services*". There will be updates on NOS's navigation observations and positioning portfolio, NOAA budget and legislation, and topics such as linkages with traditional modern navigation, and discussions on standard ocean mapping protocol, resilience issue paper and public private partnerships.

Advance PUBLIC COMMENTS for the HSRP members are encouraged by September 20, 2022 as well as in real-time during the webinar:

The comments should address the topics of the meeting and NOS's navigation, observations and positioning services, data and products, be no longer than 3 minutes and not repeat other comments. The comments will be shared with the HSRP members in advance and during the meeting, and included in the meeting record. Please email letters, comments, and requests to be added to the mailing list for announcements to: Melanie.Colantuno@noaa.gov, hydroservices.panel@noaa.gov, Virginia.Dentler@noaa.gov, Lynne.Mersfelder@noaa.gov.
