HSRP PUBLIC MEETING

The Hydrographic Services Review Panel (HSRP) is a federal advisory committee to the Administrator of the National Oceanic and Atmospheric Administration (NOAA) and will convene a public meeting on September 28 to 29, 2026, in the Washington, DC area—please join us.

		Eastern Daylight Time
Date and Time	September 28, 2026	9:00 a.m. to 5:30 p.m.
	September 29, 2026	8:30 a.m. to 2:30 p.m.
Location	Doubletree by Hilton Hotel, Washington DC - Crystal City 300 Army Navy Drive ● Arlington, Virginia 22202	

Public Comments

Advance public comments for HSRP members are encouraged by September 23, 2026 and in real-time during the webinar. Comments should address the topics of the meeting and NOAA's navigation, observations and positioning services, data and products, and be no longer than three minutes. The comments will be shared with HSRP members in advance and during the meeting, and will be included in the meeting record. Please email letters, comments, and requests to be added to the mailing list for announcements to: hydroservices.panel@noaa.gov.

Adobe Connect Registration

Please plan to log in at least 15 minutes in advance to allow updates to be installed and for troubleshooting as necessary. Register in advance for the Adobe Connect event here – https://events-na13.adobeconnect.com/content/connect/c1/2358677976/en/events/event/shared/10627447973/event_landing.html?sco-id=10660598030&_charset_=utf-8

Purpose

The HSRP is a federal advisory committee that provides NOAA with independent advice on improving the quality, efficiency and usefulness of NOAA's hydrographic . servicesportfolio and navigation-related products, data and services. The HSRP advises the NOAA Administrator about its navigation (surveys and nautical charts), physical oceanographic (tides and water levels), geospatial, positioning, shoreline programs, products and services.
