

# NOAA's National Ocean Service

*Foundational Data: Supporting Coastal Resilience and  
Improving Marine Navigation*

**Dr. Russell Callender**  
**NOS Acting Assistant Administrator**

*Hydrographic Services Review Panel Public Meeting*  
*April 8, 2015*

# What I'll Cover Today

## Looking Ahead – Where is NOS Headed?

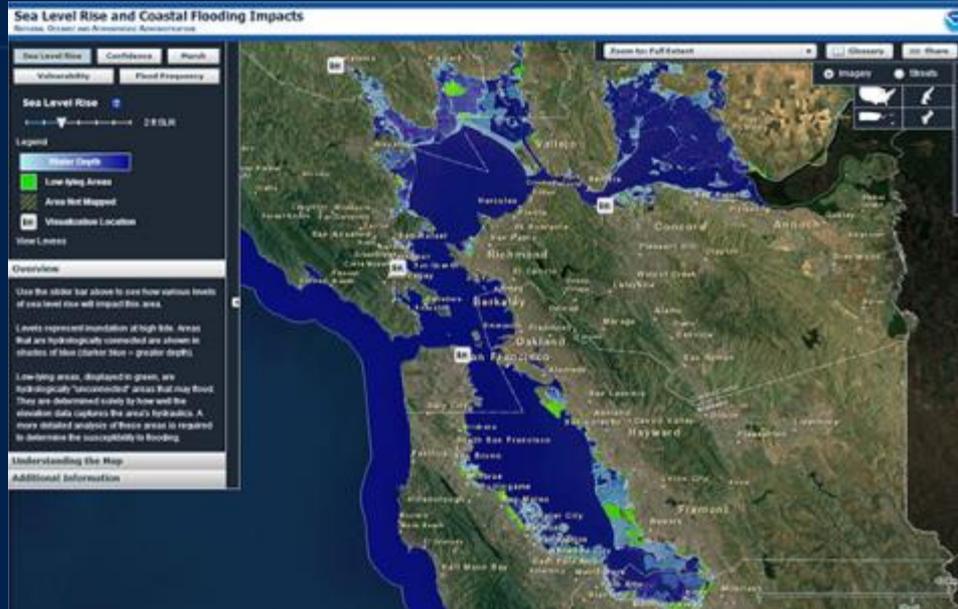

- Coastal Resilience
- Coastal Intelligence: NOS Foundational Data
- Arctic Data Needs

## Topics for Consideration

- Mapping Priorities
- Stakeholder Needs
- Precise Navigation

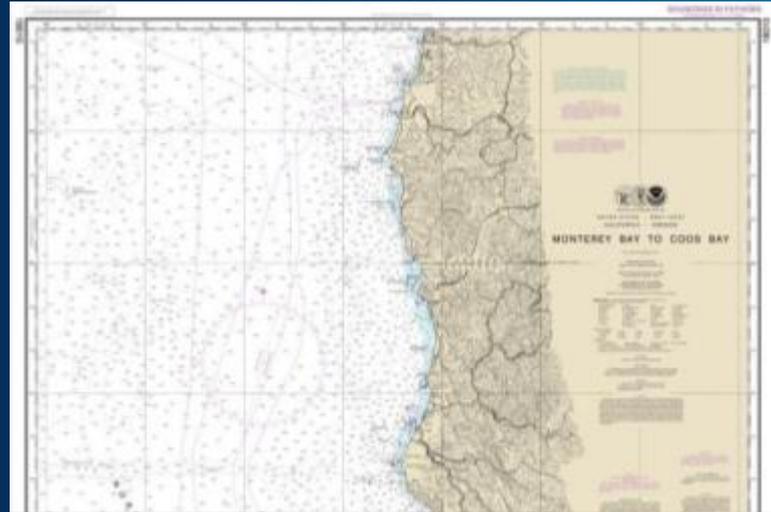

# Coastal Resilience

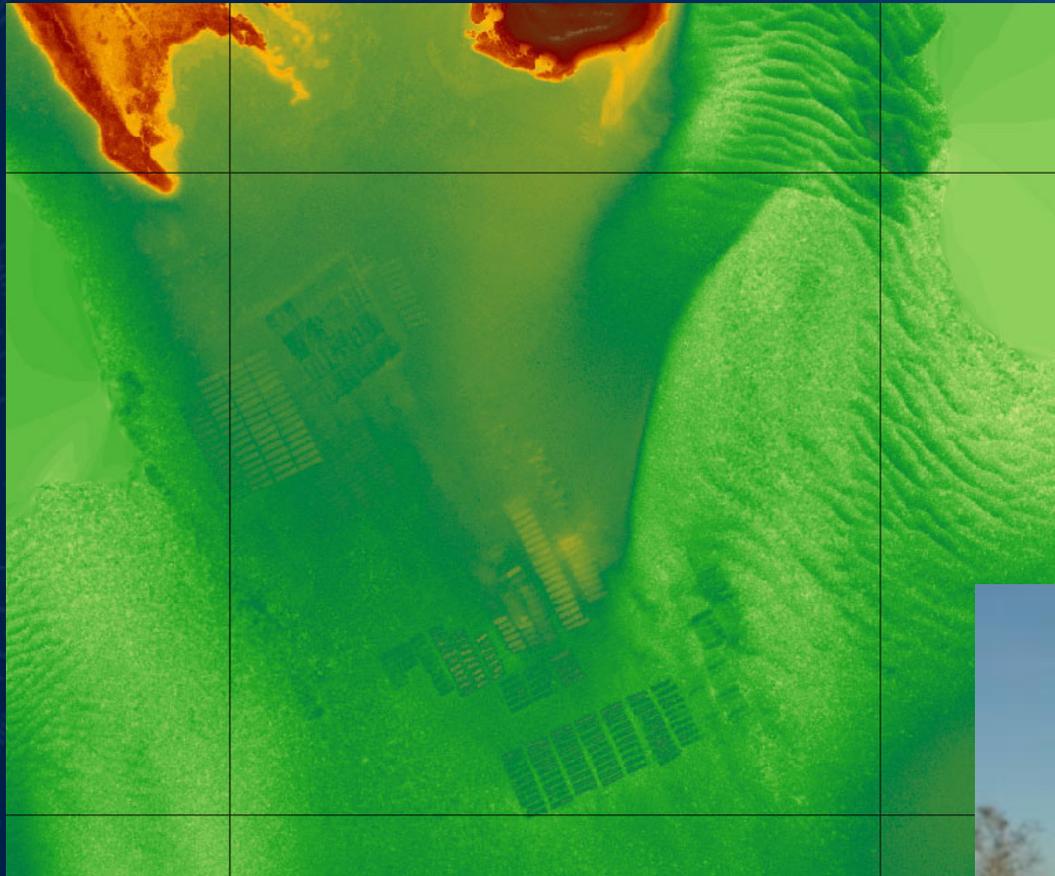

# Foundational Data: Starting Point for Coastal Resilience

How do we leverage NOS foundational data moving forward?

# Examples of Foundational Data

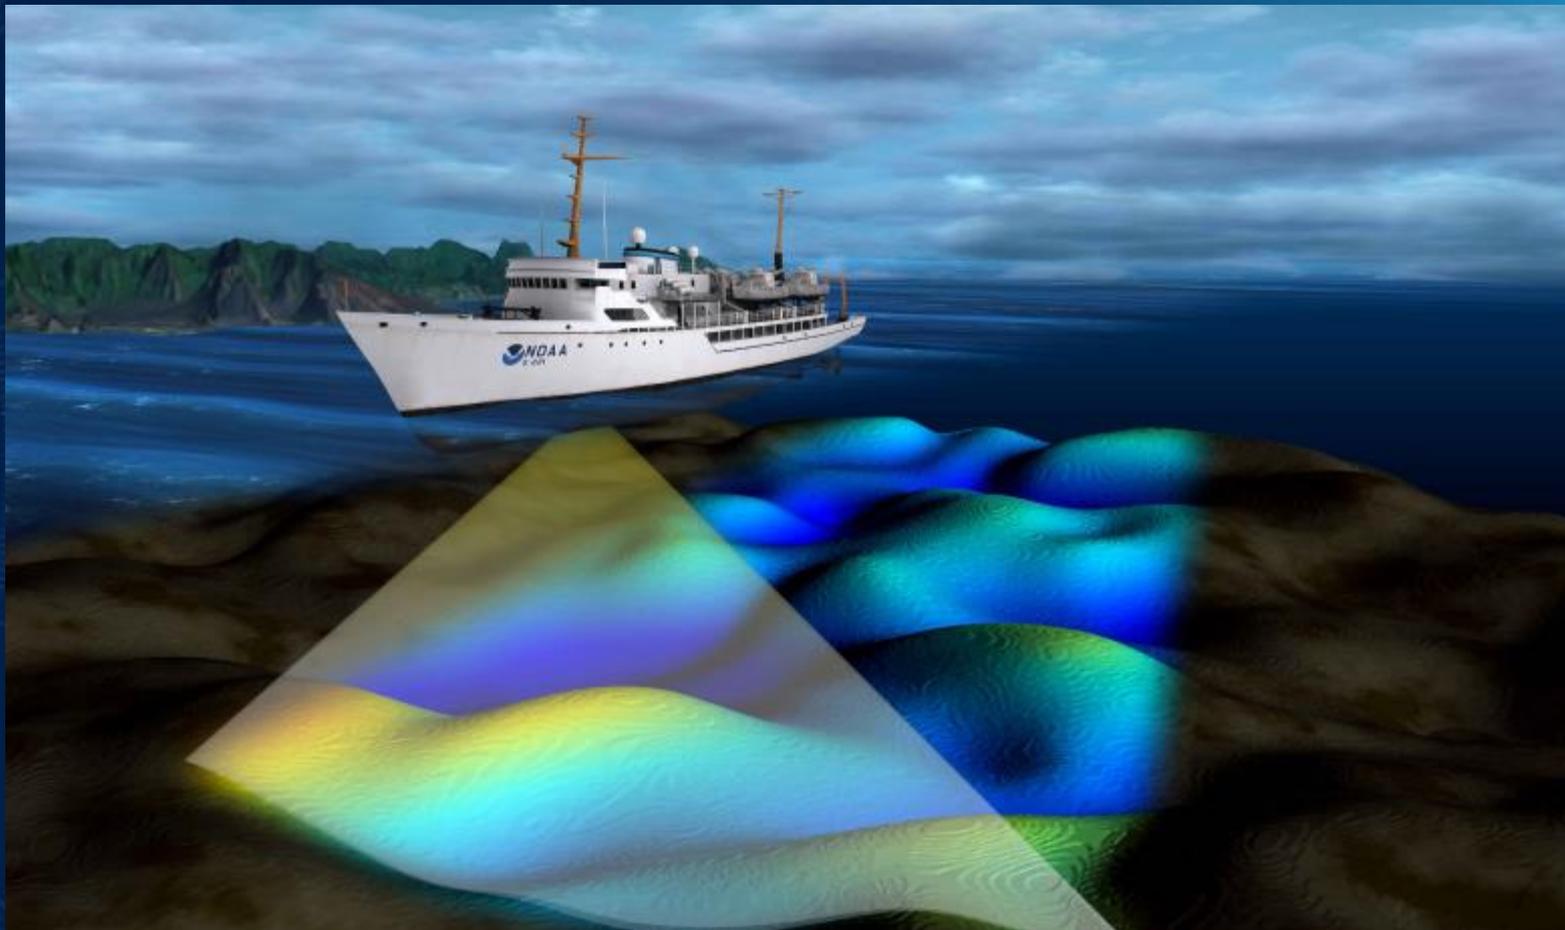

# Integrating Data and Services

# Arctic Remains a Priority

# Next Step: Strategic Mapping Priorities

# Next Step: Stakeholder Needs

# Next Step: Precise Navigation

# Conclusion
